2. Additional provisions applicable to the use of the Licensed Products:

PRODUCT	COVERAGE	DESCRIPTION
All Licensed Products	China	You agree that any Licensed Product which contains data of China may be subject to additional terms and conditions which shall be provided to You when available to TomTom. China data may not be exported from China.

PRODUCT	COVERAGE	DESCRIPTION
All Licensed Products	India	You agree that any Licensed Product which contains data of India may be subject to additional terms and conditions which shall be provided to You when available to TomTom. India data shall not be altered or changed during Your product creation / publication process. India data may not be exported from India.
All Licensed Products	South Korea	You agree that any Licensed Product which contains data of Korea may be subject to additional terms and conditions which shall be provided to You when available to TomTom. Korea data may not be exported from Korea. Data cannot be shipped to End Users in an open format (such as ESRI shapefile).
3D Landmarks	Global	You agree to include as soon as practically possible, but no later than the first new release of the Authorized Application following Your receipt of any 3D Landmarks, any copyright notices related to the display of such landmarks on every Authorized Application and in the "about box" of the Authorized Application. Notwithstanding the aforementioned, TomTom has the right to decide, at its sole discretion, to remove specific 3D Landmarks in subsequent releases of the Licensed Products. In such case, You will remove those 3D Landmarks from the Authorized Application as soon as practically possible, but not later than the first new release of the Authorized Application following Your receipt of the Update to the Licensed Product. TomTom shall not be held responsible for any possible damages, costs or expenses incurred by You related to such removal of a 3D Landmark by TomTom from the Licensed Product or failure to remove a 3D Landmark by You from the Authorized Application
GDF Viewer	Global	TomTom hereby grants to You a non-exclusive, non-transferable license to use the Software Licensed Products for the sole and limited purpose of assisting You in viewing, analyzing and sectioning the Licensed Products. In no event shall You use the Software Licensed Products to view, analyze, section or in any way manipulate spatial map data that is not provided by TomTom. You shall not derive or attempt to derive the source code of all or any portion of the Licensed Products by reverse engineering, disassembly, decompilation, translation or any other means. You shall affix the following copyright notice on any copy of the GDF Viewer, or any portion of the Licensed Products: "Software ©2011-2020 TomTom North America, Inc. All rights reserved.
Municipal Boundary	United States	You shall not use the Municipal Boundary layer of the Administrative Areas product to create or derive applications which are used by third parties for the purpose of tariff, tax jurisdiction, or tax rate determination for a particular address or range of addresses.
Post- FSA layer and 6-digit layer	Canada	The 6-digit alpha/numeric Canadian Postal Codes contained in any Licensed Product cannot be used for bulk mailing of items through the Canadian postal system. Furthermore, the 6-digit alpha/numeric Canadian Postal Codes must be wholly contained in the Authorized Application and shall not be extractable. Canadian Postal Codes cannot be displayed or used for postal code look-up on the Internet, nor can they be extracted or exported from any application to be utilized in the creation of any other data set or application. Notwithstanding the above, an End User may optionally correct or derive Canadian Postal Codes using the Authorized Application, but only as part of the address information for locations (e.g.: of delivery points and depots) that have been set up in the Authorized Application, and optionally extract data for fleet management purposes.
Speed Profiles, TomTom Traffic and any other Traffic related Product	Global	Neither the Data nor the Licensed Products such as Speed Profiles or TomTom Traffic or any derivatives thereof shall be used for the purpose of enforcement of traffic laws including but not limited to the selection of potential locations for the installation of speed cameras, speed traps or other speed tracking devices. With regards to Speed Profiles, You acknowledge and agrees that the actual speeds may not reflect the legally imposed speed limits.
Traffic Message Channel Table	Austria	 The location and event code (version 3.4) has been provided by ASFINAG.
